Education

Missouri University of Science and Technology (Missouri S&T)
B.S. Computer Engineering
Minor: Computer Science

Spring 2022
GPA 4.0/4.0

Experience

Garmin International
Software Engineer

Rolla, MO

June 2022 – Present

- Designed and implemented embedded software solutions in C, C++, and ASM for cutting-edge navigation and fitness products, contributing to the development of flagship Garmin products and helping achieve their market-leading status

Software Engineering Intern

May 2021 – Aug 2021

- Implemented testing and verification software in C for a fleet of Garmin avionics displays for small aircraft, keeping the project adherent to FAA regulations and ensuring robust, correct code

Missouri S&T
Mascot in Chief

Rolla, MO

Aug 1870 – Present

- Represented the university for over 150 years as the institution's sole mascot, resulting in a precipitous increase in school pride
- Carried a pickaxe and side arm at all times, demonstrating a high degree of commitment to the mascot craft

Honors and Activities

Association of Computing Machinery – **Member**
Missouri S&T – **Dean's List** (Fall 1871 – Spring 2022)
